Welcome to ILM College, a wonderful place of getting education and making bright future. While you stay here, our teachers and mentors will try their best to impart quality education to you, equip you with necessary skills and prepare you for the rest of life. The basic objective and rationale behind the foundation of ILM Colleges was to that of empowering new Pakistani generation with knowledge-based schooling so that they realize their potential, discover hidden talents and play their role for making Pakistan stronger and unconquerable. We are offering healthy and friendly environment where every student receives full attention and is taken care of from the point of view of skill building, sharpening capabilities, getting more exposure to the courses taught here and taking part in co-curricular and extra-curricular activities in order to become healthy, wealthy and wise. Today, Pakistan needs patriot, honest, brave, skilled and highly educated individuals to lead the country into the next century and compete with other nations of the world in the fields such as science and technology, medical, engineering, management, media, law, and economics etc. We here at ILM Group of Colleges are producing leaders of tomorrow; we are generating doctors, lawyers, engineers, scientists, economists, mediapersons, and business tycoons etc to put the country on a road to development and bring real change in the country. If you have applied for ILM College and have been accepted as a student, you are the luckiest person because you have chosen the best-ever institution of the city that is just like your second home but different from home in the sense you would have more opportunities to learn with beam and confidence.

We believe it is the right of every Pakistani to receive world-class quality education, practical experience of gained knowledge and real-life linkage of that education and utilize it for the betterment of the country. Unity, Faith and Discipline, three guiding principles given by Quaid-e-Azam Muhammad Ali Jinnah, the Father of the Nation have been included in the motto of ILM Group of Colleges and we are passing on these golden codes to our students so that they become useful and responsible citizens.

I’m sure ILM Group of Colleges would continue serving the nation with the same spirit and enthusiasm as they have always demonstrated in the past.

Dr. Hasan Sohaib Murad
Chairman ILM Group of Colleges
Rector UMT
Welcome from the
c.E.o ILM Group of Colleges

ILM Group of Colleges is recognized in Pakistan as an institution of innovation and excellence. We implement the best practices to improve the learning of all our students in a caring and friendly environment. We have trained all our teachers to impart reading and comprehension skills plus a practical know-how of to deliver the course work. We teach our students to be able to apply the comprehension strategies in class and at home in order to make the best use of the course work.

Many of our students go to university after completing their education from here. When they reach university, the skills and expertise which they had experienced at ILM College, helps them a lot and facilitates them to understand complex courses. We have formed several links with national and international universities, and other institutions to offer our students a rich canvas of opportunities, so every student can leave college with a range options. Students belonging to ILM Group of Colleges give good performance in their academic career, many of them have secured top positions in the Board and we continue to excel them in the sports and arts. We arrange recreational tours of our students to famous and historical places, modern industrial areas, and we warmly celebrate our University, Medical College, Engineering and Business Institutions cultural and traditional days; that also support students in learning new things.

ILM College Group of Colleges is producing leaders of tomorrow; those talented and hardworking individuals who are expected to bringing positive change in Pakistan.

Looking forward to seeing you

**Staff Training and Development**

College invest in human capital development through hiring top professionals for training, grooming and improving professional flair of the faculty members and the supporting staff.

**Parent Teacher Co-ordination**

We believe in developing strong relationship between the teacher and the parents. This home -college coordination is an essential, confidence and building measure. We acknowledge and respect the rights of the parents know about the academic progress and overall performance of their children. The principal has been advised to schedule "Parent- Teacher Meetings" to discuss about the students performance. However, parents may visit college at their convenience to discuss their own concerns after seeking appointment.
Rules and Regulations

A student is considered to be the standard bearers of the goodwill of the College. To maintain an academic and comfortable environment at the college, a student has to abide by the Rules and Regulations of the College. Failure to do so, would result in prompt disciplinary action. The decision of the Principal and the Proctorial Board is final in all matters relating to violation of the rules and regulations. Student should note that he/she is under the authority and jurisdiction of the college during the college hours. Therefore, the student is advised in his/her best interest to comply with all the Rules and Regulations as laid down below:

- **Academic Calendar**
  An Academic Calendar is issued every year. The calendar provides a sequential listing of all the major curricular and co-curricular activities planned for the entire academic year. Strict adherence to the academic calendar is ensured by the college administration. The academic calendar keeps the students and their parents/guardians informed of schedules and all developments taking place in the college. It is particularly helpful for the parents to plan their activities in line with the academic schedule of their children.

- **Identity card**
  A student is required to get his/her Identity Card from the Admission Office and display the same during the college hours. Fine Rs. 50.00 will be charged if a student is found without the Identity Card in the college premises.
  If an Identity Card is lost, a duplicate card is issued for Rs. 100.00. Identity Card must be returned to the College Office at the time of passing out or in case of dropout from the college.

OUR MAGNETS:
The Principals
The journey of ILM to ILM GROUP OF COLLEGES

The premier higher education institutions in the country. It is an urban, general university that is dedicated to excellence in teaching and research. It provides a wide range of degree programs that match international standards of scholarship. The university takes pride in its institutional climate and academic culture. It provides a friendly and highly supportive environment to its students. There is ample opportunity for positive interaction between students and faculty. UMT encourages students to be receptive to new ideas, to ask objective questions and to pay attention to detail in order to infuse participants with an aptitude for lifelong learning. It values freedom of speech, permits dissent and welcomes diversity of views. It aims to produce well-rounded individuals who can make positive contributions to society on personal and professional levels.

UMT believes that the university has a primary role in producing citizens who will be leaders and decision makers of the future. More than anything else, UMT is proud of the high quality of its academic programs. The curriculum not only provides a solid foundation of the disciplines involved but also imparts specific skills and specializations that the students are looking for. The university responds to change both in the workplace and in academic scholarship. Its courses are highly demanding and relevant to the requirements of the work environment. A wide range of doctoral, masters and bachelors degree programs are being offered in the ten schools and three institutes running under the umbrella of UMT, the premier institution of higher learning in the country. All the academic programs offered by UMT are recognized by the HEC and conform to international standards and the credits can be transferred worldwide.

ILM was established in 1990 by leading educationists, professionals, and industrialists with an aim to enhance the organizational and individual effectiveness. Guided by the noble mission of helping others in actualizing their limitless human potential to its finest shape, ILM sought to respond to the challenges of information-based economy, globalization, and ever increasing complexity. Spurred on by the great success of ILM, the institution applied for a university Charter, which was granted to it in 2004. It is an independent not-for-profit private organization. The University of Management and Technology (UMT) is considered to be one of
The Legend Leads
UMT

The University of Management and Technology (UMT) is all set to celebrate 25 years of academic excellence and innovation. It is worthwhile to reflect upon the path of progress that saw its establishment as a project of ILM Trust in 1990 as a not for profit institution. Today, UMT has evolved into a premier institution of higher learning in the country. Recognized by the Higher Education Commission (HEC) of Pakistan as a “W4” category (highest rank) university since February 2012, UMT offers 127+ bachelor, master and doctoral degree programs in diverse areas. At UMT, learning is imparted from the best faculty qualified from top universities of the world. It is this academic advantage that gives a competitive edge to our graduates who are transformed into leaders of the future. The UMT students have the unique privilege to get teaching from the best faculty graduated from top universities of the globe with experience of the corporate and business world. That is why our graduates are hired by leading national and international organizations for strategic positions. At present, more than 360+ full-time faculty members including 85 PhDs and 20 HEC approved supervisors are working at UMT and 14000 Alumni Community.

UMT School of Business and Economics (SBE) is the only business school in Pakistan that has SAQS accreditation by the Association of Management Development Institutions in South Asia (AMDISA) while its business programs have been accredited by National Business Education Accreditation Council (NBEAC). SBE is the only business school in Pakistan in academic alliance with SAP, ORACLE and Microsoft Dynamics. This distinguishes SBE as the best school of Pakistan. National Accreditation Council for Teacher Education (NACTE) has accredited teacher education programs at UMT.

UMT is also at the top as per HEC ranking in General Category (medium sized) of private sector institutions in Punjab in a row since last year. UMT is home to 9000+ students from 100 districts of Pakistan and 18 countries across the globe. The University has state-of-the-art science, engineering and textile laboratories, computer network, well-stocked library with over 100,000 books and digital resources to facilitate learning and research. The University also offers generous financial assistance to students. Annual financial assistance worth Rs 250 million is being provided to students. This journey of excellence is on to keep our tradition of leading and learning.
The Knowledge School Network
Multi-dimensional Grooming of Future Leaders

A countrywide project of comprehensive schools (playgroup to class X), The Knowledge School (TKS) Network is another initiative of ILM Trust. Today, TKS boasts of a network of 150+ schools in 51 cities across Pakistan. TKS students are being provided effective learning in all academic subjects by well trained teachers. Special emphasis on personality grooming and life skills makes TKS stand out from the rest.
